

A game of patience

7-99 years

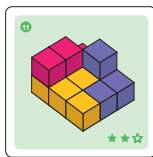

1 player

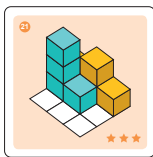

1 cube made of 7 wooden pieces, 30 challenge cards (3 levels of difficulty), 1 base.

★ Easy

★★ Moderate

★★★ Difficult

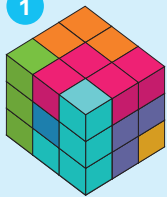

Object: To rebuild the cube using all of the pieces.

How to play: Place the seven pieces of the cube along with the base on the table and stack the challenge cards in a pile next to the pieces. Draw a card and arrange the pieces shown on the base as indicated on the card. Then try to arrange the remaining pieces to obtain a perfect cube. For each challenge, there is only one possible solution!

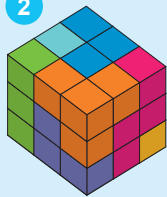

Solutions at the back of the booklet.
